## Q13. Work hours

<https://surveys.cma.ca/en/permalink/survey20>

Survey Date: 2017

Full Question: Q13. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes.

Topic: Patient care  
On-call activities  
Practice management (e.g., overhead costs, paperwork)  
Hours of work and workload

Keywords: Administrative duties  
Committee work  
Indirect patient care  
On-call services  
Patient care  
Practice management  
Continuing medication education (CME)  
Research  
Teaching  
Work hours  
Oncall  
Oncall activities  
Workload

Response Choices: Direct patient care without a teaching component, regardless of setting  
Direct patient care with a teaching component, regardless of setting  
Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)  
Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)  
Health facility committees (academic planning committees)  
Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)  
Research (including management of research and publications)  
Managing your practice (staff, facility, equipment, etc.)  
Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)
