

Q13. Work hours

<https://surveys.cma.ca/en/permalink/survey20>

Survey Date: 2017

Full Question: Q13. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes.

Topic: Patient care
On-call activities
Practice management (e.g., overhead costs, paperwork)
Hours of work and workload

Keywords: Administrative duties
Committee work
Indirect patient care
On-call services
Patient care
Practice management
Continuing medication education (CME)
Research
Teaching
Work hours
Oncall
Oncall activities
Workload

Response Choices: Direct patient care without a teaching component, regardless of setting
Direct patient care with a teaching component, regardless of setting
Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
Health facility committees (academic planning committees)
Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
Research (including management of research and publications)
Managing your practice (staff, facility, equipment, etc.)
Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)

Q23. Electronic tools used by physicians

<https://surveys.cma.ca/en/permalink/survey32>

Survey Date: 2017

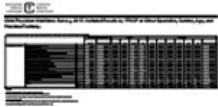

Full Question: Q23. Please indicate which of the following electronic tools you use in the care of your patients:

Topic: Patient care
Electronic records and tools

Keywords: EHR
Electronic health records
Electronic medical records
Electronic tools
EMR
Patient care
Patient notes
Patient record

Response Choices: Reminders for patient care
Ordering lab tests
Ordering diagnostic tests
Receipt of hospital visit and discharge information
Clinical decision support tool
Access to list of medications taken by a patient
Warnings for drug interactions
Interface to pharmacy/pharmacist
Access to lab test/diagnostic results
Referral to other physicians
Secure transfer of patient information
Access to provincial/territorial patient information systems
Interface to non-doctor health professionals

Q24. Electronic tools used by patients

<https://surveys.cma.ca/en/permalink/survey33>

Survey Date: 2017

Full Question: Q24. Can patients in your practice do the following?

Topic: Patient care
Electronic records and tools

Keywords: EHR
Electronic health records
Electronic medical records
Electronic tools
EMR
Patient care
Patient notes
Patient record

Response Choices: Request appointments online (i.e. advance access e-scheduling)
Request prescription renewals online
View information from their health record online (e.g. lab test results or immunization history)
Electronically add measurements (e.g. blood pressure readings) to their electronic record
Electronically add text and/or other documentation to their electronic record

Q17. Electronic tools used by patients

Thumbnail of a data table from a CMAA survey report. The table has multiple columns and rows, with a header row containing various categories and numerical data. The text is small and difficult to read, but it appears to be a summary of survey results.

<https://surveys.cma.ca/en/permalink/survey88>

Survey Date: 2019

Full Question: Q17. Which of the following can patients in your practice do?

Topic: Patient care
Electronic records and tools

Keywords: Electronic medical records
EMR
Electronic health record
EHR
Patient notes
Virtual care
Visit
Consult
e-scheduling
Online records
Online prescriptions
email

Response Choices: Request appointments online (i.e. advance access e-scheduling)
Request prescription renewals online
View information from their health record online (e.g. lab test results or immunization history)
Electronically add measurements (e.g. blood pressure readings) to their electronic record
Electronically add text and/or other documentation to their electronic record
Visit with you virtually (i.e. online by video)
Consult with you via email or text message
None of the above
N/A (e.g. hospital practice only)
