Q13. Work hours

<https://surveys.cma.ca/en/permalink/survey20>

Survey Date: 2017

Full Question: Q13. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes.

Topic: Patient care
On-call activities
Practice management (e.g., overhead costs, paperwork)
Hours of work and workload

Keywords: Administrative duties
Committee work
Indirect patient care
On-call services
Patient care
Practice management
Continuing medication education (CME)
Research
Teaching
Work hours
Oncall
Oncall activities
Workload

Response Choices: Direct patient care without a teaching component, regardless of setting
Direct patient care with a teaching component, regardless of setting
Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
Health facility committees (academic planning committees)
Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
Research (including management of research and publications)
Managing your practice (staff, facility, equipment, etc.)
Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)
