## Q13. Work hours

<https://surveys.cma.ca/en/permalink/survey20>

Survey Date: 2017

Full Question: Q13. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes.

Topic: Patient care  
On-call activities  
Practice management (e.g., overhead costs, paperwork)  
Hours of work and workload

Keywords: Administrative duties  
Committee work  
Indirect patient care  
On-call services  
Patient care  
Practice management  
Continuing medication education (CME)  
Research  
Teaching  
Work hours  
Oncall  
Oncall activities  
Workload

- Response Choices:
- Direct patient care without a teaching component, regardless of setting
  - Direct patient care with a teaching component, regardless of setting
  - Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
  - Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
  - Health facility committees (academic planning committees)
  - Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
  - Research (including management of research and publications)
  - Managing your practice (staff, facility, equipment, etc.)
  - Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)
