Q13. Work hours

<https://surveys.cma.ca/en/permalink/survey20>

Survey Date: 2017

Full Question: Q13. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes.

Topic: Patient care
On-call activities
Practice management (e.g., overhead costs, paperwork)
Hours of work and workload

Keywords: Administrative duties
Committee work
Indirect patient care
On-call services
Patient care
Practice management
Continuing medication education (CME)
Research
Teaching
Work hours
Oncall
Oncall activities
Workload

- Response Choices:
- Direct patient care without a teaching component, regardless of setting
 - Direct patient care with a teaching component, regardless of setting
 - Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
 - Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
 - Health facility committees (academic planning committees)
 - Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
 - Research (including management of research and publications)
 - Managing your practice (staff, facility, equipment, etc.)
 - Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)
