Q21 & Q22. Work hours

<https://surveys.cma.ca/en/permalink/survey112>

Survey Date: 2019

Full Question: Q21 & Q22. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes (i.e., if an activity spans two categories, please report hours in only one category).

Topic: Hours of work and workload
 Access to services
 Patient care
 Practice management (e.g., overhead costs, paperwork)
 On-call activities
 Oncall

Keywords: Workload
 Time
 Oncall

Response Choices: Direct patient care without a teaching component, regardless of setting
 Direct patient care with a teaching component, regardless of setting
 Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
 Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
 Health facility committees (academic planning committees)
 Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
 Research (including management of research and publications)
 Managing your practice (staff, facility, equipment, etc.)
 Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)
 Other
 TOTAL HOURS WORKED PER WEEK
