Q13. Work hours

<https://surveys.cma.ca/en/permalink/survey20>

Survey Date: 2017

Full Question: Q13. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes.

Topic: Patient care
On-call activities
Practice management (e.g., overhead costs, paperwork)
Hours of work and workload

Keywords: Administrative duties
Committee work
Indirect patient care
On-call services
Patient care
Practice management
Continuing medication education (CME)
Research
Teaching
Work hours
Oncall
Oncall activities
Workload

- Response Choices:
- Direct patient care without a teaching component, regardless of setting
 - Direct patient care with a teaching component, regardless of setting
 - Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
 - Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
 - Health facility committees (academic planning committees)
 - Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
 - Research (including management of research and publications)
 - Managing your practice (staff, facility, equipment, etc.)
 - Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)

Q17. Electronic tools used by patients

This is a thumbnail of a data table from a CMAA survey report. The table has multiple columns and rows, with a header section and a main data section. The header includes columns for 'Province/Territory', 'Year', 'Sample Size', and 'Percentage'. The data section contains rows for various provinces and territories, with columns for '2018', '2019', and '2020'.

<https://surveys.cma.ca/en/permalink/survey88>

Survey Date: 2019

Full Question: Q17. Which of the following can patients in your practice do?

Topic: Patient care
Electronic records and tools

Keywords: Electronic medical records
EMR
Electronic health record
EHR
Patient notes
Virtual care
Visit
Consult
e-scheduling
Online records
Online prescriptions
email

Response Choices: Request appointments online (i.e. advance access e-scheduling)
Request prescription renewals online
View information from their health record online (e.g. lab test results or immunization history)
Electronically add measurements (e.g. blood pressure readings) to their electronic record
Electronically add text and/or other documentation to their electronic record
Visit with you virtually (i.e. online by video)
Consult with you via email or text message
None of the above
N/A (e.g. hospital practice only)
