The thumbnail shows a table with multiple columns and rows, likely representing survey data. The title is 'CMA Physician Workload Survey, 2019: National Results by FFSP or Other Specialty, Gender, Age, and Practice Setting'. The table has several columns, including 'Specialty', 'Gender', 'Age', 'Practice Setting', and 'Hours Worked'. The data is presented in a grid format with numerical values.

Q21 & Q22. Work hours

<https://surveys.cma.ca/en/permalink/survey112>

Survey Date: 2019

Full Question: Q21 & Q22. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes (i.e., if an activity spans two categories, please report hours in only one category).

Topic: Hours of work and workload

Access to services

Patient care

Practice management (e.g., overhead costs, paperwork)

On-call activities

Oncall

Keywords: Workload

Time

Oncall

Response Choices: Direct patient care without a teaching component, regardless of setting

Direct patient care with a teaching component, regardless of setting

Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)

Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)

Health facility committees (academic planning committees)

Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)

Research (including management of research and publications)

Managing your practice (staff, facility, equipment, etc.)

Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)

Other

TOTAL HOURS WORKED PER WEEK

Documents

The image shows a thumbnail of a table titled "CMAA Physician Workforce Survey, 2019: National Trends by Province or Other Specialty, Gender, Age, and Practice Setting". The table has multiple columns representing different categories and rows representing data points. The text is small and difficult to read, but it appears to be a summary of survey results.
