

## Q06. Province(s)/territory(ies) of licensure

<https://surveys.cma.ca/en/permalink/survey73>

Survey Date: 2019

Full Question: Q06. In which Canadian jurisdiction(s) do you currently hold an active medical practice licence?

Topic: National licensure

Keywords: Province  
Territory  
License  
Licensure  
Practice  
Work  
Portability

Response Choices: British Columbia  
Alberta  
Saskatchewan  
Manitoba  
Ontario  
Quebec  
New Brunswick  
Nova Scotia  
Prince Edward Island  
Newfoundland & Labrador  
Northwest Territories  
Yukon  
Nunavut

## Q07. Main province/territory of practice

<https://surveys.cma.ca/en/permalink/survey75>

Survey Date: 2019

Full Question: Q07. In what province/territory do you primarily work?

Topic: National licensure

Keywords: Province  
Territory  
Practice  
Work

Response Choices: British Columbia  
Alberta  
Saskatchewan  
Manitoba  
Ontario  
Quebec  
New Brunswick  
Nova Scotia  
Prince Edward Island  
Newfoundland & Labrador  
Northwest Territories  
Yukon  
Nunavut

## Q10. Obstacles to applying for licensure

<https://surveys.cma.ca/en/permalink/survey79>

Survey Date: 2019

Full Question: Q10. What factors did you consider significant obstacles with respect to applying for licensure in another province or territory?

Topic: Access to services  
National licensure

Keywords: License  
Licensure  
Barriers  
Practice obstacles

Response Choices: Obtaining credential verification for or from the provincial/territorial regulatory authority  
Obtaining letter(s) of good standing from the provincial/territorial regulatory authority  
Obtaining reference or character letters  
Obtaining police record check  
Cost of getting licensed in the other province or territory  
Length of the process to obtain a licence in the other province or territory  
The overall complexity of the process to obtain a licence  
Other, please specify:  
There were no significant obstacles

Thumbnail of a survey results table for Q11. The table title is "CMA Physician Workforce Survey, 2019: National Results by FFSP or Other Specialty, Gender, Age, and Province/Territory". It shows a grid of data with columns for various demographic and professional categories and rows for different response categories.

## Q11. Support for national licensure

<https://surveys.cma.ca/en/permalink/survey82>

Survey Date: 2019

Full Question: Q11. How supportive would you be of the implementation of national licensure that would enable practice in all Canadian provinces/territories?

Topic: Access to services  
National licensure

Keywords: License  
Licensure

Response Choices: Not at all supportive  
Not very supportive  
No opinion  
Somewhat supportive  
Very supportive

## Q12. Impact of national licensure on physician practices

<https://surveys.cma.ca/en/permalink/survey83>

Survey Date: 2019

Full Question: Q12. If a national licensure system were implemented today, how likely would you be to:

- Highly unlikely
- Somewhat unlikely
- Unsure
- Somewhat likely
- Highly likely

Topic: Access to services  
National licensure  
Patient care

Keywords: License  
Licensure  
Changes  
Portability  
Locum  
Virtual care  
Rural practice  
Access

Response Choices: Seek out locum opportunities in other provinces/ territories  
Practise in multiple provinces/territories on an ongoing basis  
Provide virtual care (e.g., telemedicine) to patients in other provinces/territories  
Practise temporarily in rural/remote areas in other provinces/territories  
Participate in further training in another province or territory

## Q13. Agreement that national licensure will improve access

<https://surveys.cma.ca/en/permalink/survey85>

Survey Date: 2019

Full Question: Q13. To what extent do you agree that national licensure will improve access to care for Canadians?

Topic: Access to services  
National licensure  
Patient care

Keywords: License  
Licensure  
Better  
Patients  
Access

Response Choices: Strongly disagree  
Somewhat disagree  
Neither agree nor disagree  
Somewhat agree  
Strongly agree

## Q19. Average on-call hours

<https://surveys.cma.ca/en/permalink/survey106>

Survey Date: 2019

Full Question: Q19. Estimate your average number of on-call work hours per month:

Topic: Access to services  
Hours of work and workload  
Patient care  
On-call activities  
Oncall

Keywords: Oncall  
Time  
Oncall activities  
On-call hours  
Workload

## Q21 & Q22. Work hours

<https://surveys.cma.ca/en/permalink/survey112>

Survey Date: 2019

Full Question: Q21 & Q22. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes (i.e., if an activity spans two categories, please report hours in only one category).

Topic: Hours of work and workload  
 Access to services  
 Patient care  
 Practice management (e.g., overhead costs, paperwork)  
 On-call activities  
 Oncall

Keywords: Workload  
 Time  
 Oncall

Response Choices: Direct patient care without a teaching component, regardless of setting  
 Direct patient care with a teaching component, regardless of setting  
 Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)  
 Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)  
 Health facility committees (academic planning committees)  
 Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)  
 Research (including management of research and publications)  
 Managing your practice (staff, facility, equipment, etc.)  
 Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)  
 Other  
 TOTAL HOURS WORKED PER WEEK

## Q09. Organization of practice (solo, group, etc.)

<https://surveys.cma.ca/en/permalink/survey16>

Survey Date: 2017

Full Question: Q09. How is your MAIN patient care setting organized? Check ONLY ONE. (Note that a solo or group practice could also include another health professional who does not have her/his own caseload).

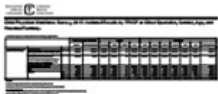

Topic: Work setting  
Patient care  
Hospital setting  
Collaborative practice

Keywords: Collaborative practice  
Group practice  
Hospital setting  
Interprofessional  
Partner  
Patient care setting  
Practice setting  
Solo practice  
Team practice  
Work setting

Response Choices: Solo practice  
Group practice – community based  
Interprofessional practice – community based (physician(s) & other health professional(s) who have their own caseloads)  
Hospital-based practice

## Q20. Access to resources

<https://surveys.cma.ca/en/permalink/survey27>

Survey Date: 2017

Full Question: Q20. Rate your access to the following for your patients:

Topic: Satisfaction

Patient care

Hospital setting

Access to services

Keywords: Access to services

Appointment availability

Clinical care

Hospital

Patient care

Referral

Satisfaction (professional)

Response Choices: Operating room

Endoscopy suites

Procedural rooms

Long-term care beds (e.g., nursing home, chronic care, etc.)

Hospital in-patient care on an urgent basis

Hospital care for elective procedures

Routine diagnostic services (e.g., lab, x-rays, etc.)

Advanced diagnostic services (e.g., MRI, CT, etc.)

Home care

Palliative care
