

## Q06. Province(s)/territory(ies) of licensure

<https://surveys.cma.ca/en/permalink/survey73>

Survey Date: 2019

Full Question: Q06. In which Canadian jurisdiction(s) do you currently hold an active medical practice licence?

Topic: National licensure

Keywords: Province  
Territory  
License  
Licensure  
Practice  
Work  
Portability

Response Choices: British Columbia  
Alberta  
Saskatchewan  
Manitoba  
Ontario  
Quebec  
New Brunswick  
Nova Scotia  
Prince Edward Island  
Newfoundland & Labrador  
Northwest Territories  
Yukon  
Nunavut

Rural	900	900

## Q16. Electronic tools used by physicians

<https://surveys.cma.ca/en/permalink/survey103>

Survey Date: 2019

Full Question: Q16. Please indicate which of the following electronic tools you use in the care of your patients

Topic: Patient care  
Electronic records and tools

- Keywords: Electronic medical records  
EMR  
Electronic health record  
EHR  
Patient notes
- Response Choices: Reminders for patient care  
Ordering lab tests  
Ordering diagnostic tests  
Receipt of hospital visit and discharge information  
Clinical decision support tool  
Access to list of medications taken by a patient  
Warnings for drug interactions  
Interface to pharmacy/pharmacist  
Access to lab test/diagnostic results  
Referral to other physicians  
Secure transfer of patient information  
Access to provincial/territorial patient information systems  
Interface to non-doctor health professionals  
An Artificial Intelligence (AI)  
None of the above

## Q17. Electronic tools used by patients

<https://surveys.cma.ca/en/permalink/survey88>

Survey Date: 2019

Full Question: Q17. Which of the following can patients in your practice do?

Topic: Patient care

Electronic records and tools

Keywords: Electronic medical records

EMR

Electronic health record

EHR

Patient notes

Virtual care

Visit

Consult

e-scheduling

Online records

Online prescriptions

email

Response Choices: Request appointments online (i.e. advance access e-scheduling)

Request prescription renewals online

View information from their health record online (e.g. lab test results or immunization history)

Electronically add measurements (e.g. blood pressure readings) to their electronic record

Electronically add text and/or other documentation to their electronic record

Visit with you virtually (i.e. online by video)

Consult with you via email or text message

None of the above

N/A (e.g. hospital practice only)

## Q20. Access to resources

<https://surveys.cma.ca/en/permalink/survey27>

Survey Date: 2017

Full Question: Q20. Rate your access to the following for your patients:

Topic: Satisfaction  
Patient care  
Hospital setting  
Access to services

Keywords: Access to services  
Appointment availability  
Clinical care  
Hospital  
Patient care  
Referral  
Satisfaction (professional)

Response Choices: Operating room  
Endoscopy suites  
Procedural rooms  
Long-term care beds (e.g., nursing home, chronic care, etc.)  
Hospital in-patient care on an urgent basis  
Hospital care for elective procedures  
Routine diagnostic services (e.g., lab, x-rays, etc.)  
Advanced diagnostic services (e.g., MRI, CT, etc.)  
Home care  
Palliative care
