

## Q06. Province(s)/territory(ies) of licensure

<https://surveys.cma.ca/en/permalink/survey73>

Survey Date: 2019

Full Question: Q06. In which Canadian jurisdiction(s) do you currently hold an active medical practice licence?

Topic: National licensure

Keywords: Province  
Territory  
License  
Licensure  
Practice  
Work  
Portability

Response Choices: British Columbia  
Alberta  
Saskatchewan  
Manitoba  
Ontario  
Quebec  
New Brunswick  
Nova Scotia  
Prince Edward Island  
Newfoundland & Labrador  
Northwest Territories  
Yukon  
Nunavut

Rural	1,000	100

## Q16. Electronic tools used by physicians

<https://surveys.cma.ca/en/permalink/survey103>

Survey Date: 2019

Full Question: Q16. Please indicate which of the following electronic tools you use in the care of your patients

Topic: Patient care  
Electronic records and tools

- Keywords:            Electronic medical records  
                              EMR  
                              Electronic health record  
                              EHR  
                              Patient notes
- Response Choices:    Reminders for patient care  
                              Ordering lab tests  
                              Ordering diagnostic tests  
                              Receipt of hospital visit and discharge information  
                              Clinical decision support tool  
                              Access to list of medications taken by a patient  
                              Warnings for drug interactions  
                              Interface to pharmacy/pharmacist  
                              Access to lab test/diagnostic results  
                              Referral to other physicians  
                              Secure transfer of patient information  
                              Access to provincial/territorial patient information systems  
                              Interface to non-doctor health professionals  
                              An Artificial Intelligence (AI)  
                              None of the above

## Q17. Accepting new patients

## <https://surveys.cma.ca/en/permalink/survey24>

Survey Date: 2017

Full Question: Q17. To what extent is your practice accepting new patients into your MAIN patient care setting? Please check only ONE.

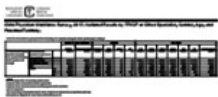

Topic: Patient care  
Hours of work and workload  
Access to services

Keywords: Access to services  
Appointment availability  
Overworked  
Patient care  
Patient load  
Wait time  
Work hours  
Workload  
Wait times  
Waiting times

Response Choices: No restrictions; practice is open to all new patients  
Partially closed  
Completely closed  
Does not apply to my practice setting

## Q17. Electronic tools used by patients

<https://surveys.cma.ca/en/permalink/survey88>

Survey Date: 2019

Full Question: Q17. Which of the following can patients in your practice do?

Topic: Patient care  
Electronic records and tools

Keywords: Electronic medical records  
EMR  
Electronic health record  
EHR  
Patient notes  
Virtual care  
Visit  
Consult  
e-scheduling  
Online records  
Online prescriptions  
email

Response Choices: Request appointments online (i.e. advance access e-scheduling)  
Request prescription renewals online  
View information from their health record online (e.g. lab test results or immunization history)  
Electronically add measurements (e.g. blood pressure readings) to their electronic record  
Electronically add text and/or other documentation to their electronic record  
Visit with you virtually (i.e. online by video)  
Consult with you via email or text message  
None of the above  
N/A (e.g. hospital practice only)

## Q20. Access to resources

<https://surveys.cma.ca/en/permalink/survey27>

Survey Date: 2017

Full Question: Q20. Rate your access to the following for your patients:

Topic: Satisfaction  
Patient care  
Hospital setting  
Access to services

Keywords: Access to services  
Appointment availability  
Clinical care  
Hospital  
Patient care  
Referral  
Satisfaction (professional)

Response Choices: Operating room  
Endoscopy suites  
Procedural rooms  
Long-term care beds (e.g., nursing home, chronic care, etc.)  
Hospital in-patient care on an urgent basis  
Hospital care for elective procedures  
Routine diagnostic services (e.g., lab, x-rays, etc.)  
Advanced diagnostic services (e.g., MRI, CT, etc.)  
Home care  
Palliative care
