Q12. Impact of national licensure on physician practices

<https://surveys.cma.ca/en/permalink/survey83>

Survey Date: 2019

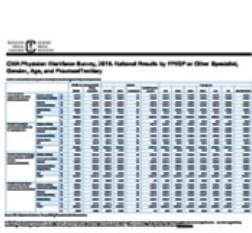

Full Question: Q12. If a national licensure system were implemented today, how likely would you be to:
Highly unlikely
Somewhat unlikely
Unsure
Somewhat likely
Highly likely

Topic: Access to services
National licensure
Patient care

Keywords: License
Licensure
Changes
Portability
Locum
Virtual care
Rural practice
Access

Response Choices: Seek out locum opportunities in other provinces/ territories
Practise in multiple provinces/territories on an ongoing basis
Provide virtual care (e.g., telemedicine) to patients in other provinces/territories
Practise temporarily in rural/remote areas in other provinces/territories
Participate in further training in another province or territory

Q17. Electronic tools used by patients

<https://surveys.cma.ca/en/permalink/survey88>

Survey Date: 2019

Full Question: Q17. Which of the following can patients in your practice do?

Topic: Patient care

Electronic records and tools

Keywords: Electronic medical records

EMR

Electronic health record

EHR

Patient notes

Virtual care

Visit

Consult

e-scheduling

Online records

Online prescriptions

email

Response Choices: Request appointments online (i.e. advance access e-scheduling)

Request prescription renewals online

View information from their health record online (e.g. lab test results or immunization history)

Electronically add measurements (e.g. blood pressure readings) to their electronic record

Electronically add text and/or other documentation to their electronic record

Visit with you virtually (i.e. online by video)

Consult with you via email or text message

None of the above

N/A (e.g. hospital practice only)

Q21 & Q22. Work hours

<https://surveys.cma.ca/en/permalink/survey112>

Survey Date: 2019

Full Question: Q21 & Q22. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes (i.e., if an activity spans two categories, please report hours in only one category).

Topic: Hours of work and workload
 Access to services
 Patient care
 Practice management (e.g., overhead costs, paperwork)
 On-call activities
 Oncall

Keywords: Workload
 Time
 Oncall

Response Choices: Direct patient care without a teaching component, regardless of setting
 Direct patient care with a teaching component, regardless of setting
 Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
 Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
 Health facility committees (academic planning committees)
 Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
 Research (including management of research and publications)
 Managing your practice (staff, facility, equipment, etc.)
 Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)
 Other
 TOTAL HOURS WORKED PER WEEK
