## Q16. Electronic tools used by physicians

# <https://surveys.cma.ca/en/permalink/survey103>

Survey Date: 2019

Full Question: Q16. Please indicate which of the following electronic tools you use in the care of your patients

Topic: Patient care  
Electronic records and tools

Keywords: Electronic medical records  
EMR  
Electronic health record  
EHR  
Patient notes

Response Choices: Reminders for patient care  
Ordering lab tests  
Ordering diagnostic tests  
Receipt of hospital visit and discharge information  
Clinical decision support tool  
Access to list of medications taken by a patient  
Warnings for drug interactions  
Interface to pharmacy/pharmacist  
Access to lab test/diagnostic results  
Referral to other physicians  
Secure transfer of patient information  
Access to provincial/territorial patient information systems  
Interface to non-doctor health professionals  
An Artificial Intelligence (AI)  
None of the above

## Q25a. Changes made to practice

<https://surveys.cma.ca/en/permalink/survey34>

Survey Date: 2017

Full Question: Q25a. With reference to the LAST 2 YEARS, please check all of the following changes you have already made:

Topic: Retirement  
Practice relocation  
On-call activities  
Hours of work and workload

Keywords: Career transition  
Oncall  
Oncall activities  
On-call services  
Overworked  
Patient load  
Practice relocation  
Retirement  
Work hours  
Work location  
Work-life balance  
Workload

Response Choices: Retired from clinical practice  
Reduced weekly work hours (excluding on-call)  
Increased weekly work hours (excluding on-call)  
Relocated my practice to another province/territory in Canada  
Practised in the USA  
Practised in another country
