**Q02. Satisfaction (professional life, balance)**

The Canadian Medical Association (CMA) seeks your help in transforming a health system that best serves Canadians and Canada’s physicians.Tell us about your workplace, whether your thoughts on national issues, or issues affecting your everyday practice. The results will help inform the Association’s advocacy efforts and the work of the CMA to make health care more affordable and accessible for all Canadians.

Survey results will be shared with Canadian physicians and the Canadian public in a summary report. The summary report will be published to the public on the CMA website.

To participate, sign up at the end of the survey or visit the CMA website.
