Q09. Applying for licensure in another jurisdiction

<https://surveys.cma.ca/link/survey77>

SURVEY DATE	2019
FULL QUESTION	Q09. Have you ever applied for a licence to practise medicine with a Canadian medical regulatory authority in a province or territory other than where you were first licensed to practise in Canada?
TOPIC	Access to services National licensure
KEYWORDS	License Licensure
RESPONSE CHOICES	Yes No

Documents

The document is a table showing national results for the CMA Physician Workforce Survey, 2019. The table is organized by gender (Male and Female) and age group (18-24, 25-34, 35-44, 45-54, 55-64, 65+). The columns represent various workforce metrics such as Total, FTE, and other relevant data. The table is titled 'CMA Physician Workforce Survey, 2019: National Results by FP/CP or Other Specialist, Gender, Age, and Provincial/Territory'.

Specialty	Total		FTE		Age Group	
	Count	%	Count	%	Count	%
FP/CP or Other Specialist	10,000	100%	5,000	50%	1,000	10%
Male	5,000	50%	2,500	50%	500	10%
Female	5,000	50%	2,500	50%	500	10%

Q10. Obstacles to applying for licensure

<https://surveys.cma.ca/link/survey79>

SURVEY DATE	2019
FULL QUESTION	Q10. What factors did you consider significant obstacles with respect to applying for licensure in another province or territory?
TOPIC	Access to services National licensure
KEYWORDS	License Licensure Barriers Practice obstacles
RESPONSE CHOICES	Obtaining credential verification for or from the provincial/territorial regulatory authority Obtaining letter(s) of good standing from the provincial/territorial regulatory authority Obtaining reference or character letters Obtaining police record check Cost of getting licensed in the other province or territory Length of the process to obtain a licence in the other province or territory The overall complexity of the process to obtain a licence Other, please specify: There were no significant obstacles

Q13. Agreement that national licensure will improve access

<https://surveys.cma.ca/link/survey85>

SURVEY DATE	2019
FULL QUESTION	Q13. To what extent do you agree that national licensure will improve access to care for Canadians?
TOPIC	Access to services National licensure Patient care
KEYWORDS	License Licensure Better Patients Access
RESPONSE CHOICES	Strongly disagree Somewhat disagree Neither agree nor disagree Somewhat agree Strongly agree

Documents

The screenshot shows a survey report with a table of national results. The table has columns for 'Specialist Category', 'Age Group', 'Gender', and 'Provincial/Territory'. The rows represent different response choices: 'Strongly disagree', 'Somewhat disagree', 'Neither agree nor disagree', 'Somewhat agree', and 'Strongly agree'. The data is presented as percentages for each category.
