# Q10. Providing on-call

<https://surveys.cma.ca/link/survey17>

SURVEY DATE	2017
FULL QUESTION	Q10. Do you provide on-call services?
TOPIC	Patient care On-call activities Hours of work and workload
KEYWORDS	On-call hours On-call services Work hours Oncall Workload Oncall activities

## Documents

---

# Q11. Average on-call hours

<https://surveys.cma.ca/link/survey18>

SURVEY DATE	2017
FULL QUESTION	Q11. Estimate your average number of on-call work hours per month:
TOPIC	Patient care On-call activities Hours of work and workload
KEYWORDS	On-call hours Oncall activities Oncall On-call services Work hours Workload

## Documents

---

## Q12. On-call hours in direct patient care

<https://surveys.cma.ca/link/survey19>

SURVEY DATE	2017
FULL QUESTION	Q12. Estimate how many of your on-call hours each month are actually spent in direct patient care (e.g., phone, email, face-to-face):
TOPIC	Patient care On-call activities Hours of work and workload
KEYWORDS	Clinical care On-call services On-call hours Oncall Oncall activities Patient care Work hours Workload

## Documents

---

The image shows a screenshot of a table from the 'CMA Physician Workforce Survey, 2017: National Results by FPGP or Other Specialist, Gender, Age, and Practice Setting'. The table has multiple columns and rows, but the text is too small to read. The table is titled '2017 National Results by FPGP or Other Specialist, Gender, Age, and Practice Setting'.

## Q13. Work hours

<https://surveys.cma.ca/link/survey20>

SURVEY DATE	2017
FULL QUESTION	Q13. EXCLUDING ON-CALL ACTIVITIES, how many HOURS IN AN AVERAGE WEEK do you usually spend on the following activities? Assume each activity is mutually exclusive for reporting purposes.
TOPIC	Patient care On-call activities Practice management (e.g., overhead costs, paperwork) Hours of work and workload

KEYWORDS

- Administrative duties
- Committee work
- Indirect patient care
- On-call services
- Patient care
- Practice management
- Continuing medication education (CME)
- Research
- Teaching
- Work hours
- Oncall
- Oncall activities
- Workload

RESPONSE CHOICES

- Direct patient care without a teaching component, regardless of setting
- Direct patient care with a teaching component, regardless of setting
- Teaching/Education without direct patient care (contact with students/residents, preparation, marking, evaluations, etc.)
- Indirect patient care (charting, reports, phone calls, meeting patients' family, etc.)
- Health facility committees (academic planning committees)
- Administration (i.e., management of university program, chief of staff, department head, Ministry of Health, etc.)
- Research (including management of research and publications)
- Managing your practice (staff, facility, equipment, etc.)
- Continuing medical education/professional development (courses, reading, videos, tapes, seminars, etc.)
